## COMMENTS:

Dr. Braver did an excellent job with this course. At first, in terms of the "multicultural" aspect, I did not expect to get a lot out of it, but I feel like I actually learned a lot and gained some really meaningful perspective. The only change I might like to see would be starting the

research project earlier. TTU should give him tenure as soon as possible before another university snatches him away. Loved this course! ♡ Thank you!

## COMMENTS:

I did not like how the bulk of the grade was attributed to multiple choice questions and subjective short answer questions. Rather than write one-page summaries on a daily basis which account for little to nothing on our grade, we would have been better served to write a few large essays. However, the professor was friendly and put effort into his lesson plans.
