Please make any overall comments or observations about this instructor or course:

I understand everyone isn't in this boat, but I took Introduction to linguistics, and the curriculum for this course and that one overlap a lot. I would have liked to have learned more new material.

Dr. Braver is a great teacher. You can explain complex ideas well, and I understood everything well. Thank you!

I really loved the independent research project. It was the best part of this course.
