Braver	Great course
Braver	Great class, great instructor!
Braver	It was an extremely interesting class and the professor was more than willing to help with anything we did not fully understand. Encouraging environment.
Braver	Dr Braver really knows his stuff. He explained things to us in the weekly video lectures and made it easy to understand. We had the opportunity to ask questions if we didn't understand it fully, and he always explained it to us so that we DID understand it after that. Great teacher.
